

# GEM

## GEM

### GIFTED ELIGIBILITY MANAGER

Let GEM help your district track your Gifted Eligibility information for students. This tool will allow districts to create an assessment matrix in order to calculate a student's gifted eligibility based on assessment scores. GEM automatically updates gifted fields for state reporting purposes based on data input.

Abercrombie, Saw Marie

<b>Current School:</b> Ridgemont High School (Grade: 10)	<b>Student Number:</b> 113469	<b>Student Email:</b> Saw.Zac@myschool.org
